EDUCATION

University of Nigeria, Nsukka Bachelor of Engineering (B.Eng.), Mechanical Engineering First Class Honors Overall Best Graduating Student (4.94/5.0 CGPA)	Enugu, Nigeria 2019-2024
International School, University of Lagos West African Secondary School Certificate (9 Distinctions)	Lagos, Nigeria 2013-2019
Harvard Business School Aspire Institute Aspire Leaders Program (Alumni)	Massachusetts, USA 2025
The Data Immersed Community Emerald Cohort (Alumni)	Lagos, Nigeria 2026

WORK EXPERIENCE

SecureID Limited <i>Data Analyst, Europay-Mastercard-Visa (EMV) Department</i> - Tracked workflows of company processes from start to finish while inspecting pending jobs with Aspect software. - Analyzed company card and chip industrialization data with MS Excel and SQL queries. - Organized and manipulated datasets to retrieve insights for company growth. - Contributed to job planning, card personalization, and bank deployment processes - Facilitated customer, sales, and EMV communication with AI automation workflows on n8n.	Lagos, Nigeria 2026
UN Sustainable Development Solutions Network Youth Nigeria <i>SDG Advocate and Data Analyst, Lagos Team</i> - Enlightened more than 650 students at New Estate Baptist Schools on the importance of clean energy and waste reduction to the environment as part of the Own-a-school project - Analyzed data from our Virtual Advocacy and Community Project exercises - Participated in the environmental cleaning exercise carried out in the Shomolu area - Facilitated the proper use of health data collected at the health sensitization and check-up exercise	Lagos, Nigeria 2025-2026
Ise-Orun/Emure Permanent Orientation Camp, National Youth Service Corps <i>Data Analyst, Planning, Research, and Statistics Team</i> - Analyzed the data obtained from responses of 168 corps members regarding their camp welfare - Collaborated with the camp director to utilize the insights of our analysis to improve camp experience - Prepared accompanying dashboards for presentation to the National Youth Service Corps body.	Ekiti, Nigeria 2026
Academic Carryover Eradication (A.C.E) Network <i>Tutor</i> - Organized tutorials for core engineering courses for an average of 20 students - Utilized instructional materials that reduced failure rates by 45%, improving student outcomes immensely - Mentored students each semester as part of the Mentor and Mentees program, sharing tips on how to tackle certain courses	Enugu, Nigeria 2023-2025
Masters Energy Oil and Gas Limited <i>Undergraduate Intern</i> - Contributed to the maintenance of structures around the depot - Analyzed data obtained from the operations section using Microsoft Excel - Ensured the data tallied with what was from the metering section - Facilitated physical and online meetings with internal and external contractors	Rivers, Nigeria 2024

Netsach Limited*Project Intern*Lagos, Nigeria
2024

- Designed concepts for the construction of a drainage system with CAD software
- Provided insights during meetings for the construction of a Liquefied Petroleum Gas tank

Accenture North America*Data Analyst*Lagos, Nigeria
2025

- Cleaned, modelled, and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions with Microsoft Excel
- Prepared a PowerPoint deck and video presentation with Microsoft PowerPoint to communicate key insights for the client and internal stakeholders.

PwC Switzerland*Data Analyst*Lagos, Nigeria
2025

- Demonstrated expertise in data visualization through the creation of Power BI dashboards that effectively conveyed KPIs, showcasing the ability to respond to client requests with well-designed solutions.
- Leveraged analytical problem-solving skills to examine HR data, particularly focusing on gender-related KPIs and identifying root causes for gender balance issues at the executive management level, highlighting a commitment to data-driven decision-making.

LEADERSHIP EXPERIENCE**Director of Communications, Inter-African Scholar Accelerator (ISA)** **2024-2026**

- Established a smooth transfer of information among all scholars in the community.
- Organized and moderated the second edition of the ISA SDG Challenge with over 15 teams, improving participation in the final stage by 30%.
- Collaborated with other organizations such as AIESEC and NUESA to reach over 350 students with tips on career development.

Treasurer, Nigerian Institution of Mechanical Engineers Student Chapter **2024-2025**

- Handled the bookkeeping of accounts in the purse of the organization.
- Analyzed the financial records with Microsoft Excel, ensuring transparency.

Volunteer, Society of Petroleum Engineers UNN Chapter **2023-2025**

- Trained over 300 students at Divine Wisdom Academy as part of the Sit-a-Child project, collaborating with other societies to donate educational materials
- Participated in clean-up exercises around the Nsukka area

Project Lead, African Center of Excellence for Sustainable Power and Energy Development **2024**

- Led my team in the fabrication of a multipurpose solar generator.
- Spearheaded operations and testing under various conditions, ensuring workability.

Director, Team EcoEnergetics, ISA **2023-2024**

- Organized surveys to understand the benefits of our hybrid energy conversion system
- Handled our pitch deck presentation and documentary video (<https://bit.ly/49nIFuP>)

Group Leader, Mechanical Engineering, University of Nigeria, Nsukka **2022-2025**

- Led my group in the construction of a proximity sensor and distance measurement system using an HRSC-04 sensor and Arduino technology
- Led my group on the fabrication of a maize milling machine for the Applied Design course
- Handled the construction of a rugged gear train transmission system from raw materials.

NOTABLE ACHIEVEMENTS

- **Overall Best Graduating Student, University of Nigeria, Nsukka** **2025**
- **Winner, NSE-SB Word War Quiz** **2024**
- **Winner, African Center of Excellence for Sustainable Power and Energy Development** **2024**
₦1million Grant (sponsored by the World Bank)
- **Scholarship Award, MTN Foundation** **2023**
- **Forward Champion, McKinsey and Company Forward Program** **2025**
- **Professional Award, SALBA AI Automation Program** **2026**
- **Fellow, The Pathway Program of the Afara Initiative** **2024**
- **Winner, Inter-African Scholar Accelerator (ISA) SDG Challenge** **2023**
- **Scholarship Award, Federal Government of Nigeria** **2022**
- **Scholarship Award, Agbami/Chevron JV** **2022**
- **Most Outstanding Student, International School, University of Lagos** **2019**
